SavvySMART Content Library is the customizable, continuously updated, law firm-specific learning content that trainers, HR professionals and law firm managers are seeking today.

Features of the SavvySMART Content Library:

- Written for the Legal Industry: Savvy's training content is written by people who have worked in the legal industry for decades. We understand the unique tasks, protocols and language of your firm.
- Works in Virtually Any LMS: SavvySMART is designed to be compatible with nearly every LMS. Our professionals will help you install and launch it in your LMS.
- ELearning Developed in Adobe Captivate: Enjoy rich content in responsive ELearning formats to more fully engage your staff in the learning process.
- You Buy It, You Own It: Once you purchase SavvySMART, you own SavvySMART.
- Continuous Updates: We provide ongoing updates to the SavvySMART content and, as our client, you have a voice in the updates we create.

The SavvySMART Content Library Includes:

- 1,000+ unique pieces of training materials
- Knowledge checks and workbooks
- ELearning videos
- Quick reference guides
- Practice documents
- User and instructor manuals
- Training for most legal-specific applications, including document management systems, PDF platforms, core Microsoft applications, and much more

“I have never worked with a vendor like Savvy. I feel like they are an extension of me. They literally are. They'll do anything to make sure we have what we need.”
Mary Lynn Fritz, Trainer
